# DIED BESIDE HER DEAD TWIN SISTER BY INHALING GAS

ElinaFrancfort Watched Clara Through Her Death Struggle, Then Tied a Tube in Her Own Mouth and Ended Her Life.

Two very old ladies were Elina and Clara Francfort, sisters. All their lives they had been inseparable. And when Clara died last night in the room they occupied at No. 133 East Eighteenth street, Elina calmly proceeded to take her own life by inhaling illuminating gas. Whether sne

Eighteenth street house six months ago from Mrs. Maria Siegel. Clara was very feeble, a sufferer from asthma. Her sister was her sole nurse. They appeared to be twins and probably seventy years of age.

## MAYORALTY RECOUNT

Mrs. Thomas called a servant and sent for a policeman. Patrolman Walter McChry, of the West One Hundred and Fifty-second street station, downtown on an assignment from his captain, happened to be passing the house. Fie was called in and he opened the door of the room indicated by Mrs. Thomas.

The devoted sisters had not been separated in death. Clara's body was on the bed, the coverlet drawn of the room and and he opened the said that the Hearst people had good reason for demanding the legislation, in view of the refusal of the Court of Appeals to sustain them. DIFFERENT FROM OTHERS.
The EANTER SUNDAY WORLD is not like all other Easter numbers. There is a loi of real interesting matter in it-not just a mass of obtures. The real Easter Girl of 190d; 50 ways of cooking ergs; the story of Mary and Martha, told by Tather T. E. Sherman and illustrated by a great oninting in colors: the actual gowns worn at the most fashionable Easter weddings of this year; birds that blush—real Easter reading. Out next Sunday.

### Telephone Growth.

That every telephone added to a system increases the value of the service to all telephone users, and that the larger the system the more useful and desirable the service, is evidenced by the wonderful telephone gain still going on in New York City, which has now twice as many telephones as any other city in the world.

### 3,105 Telephones

were gained in Manhattan and the Bronx during March.

### Over 194,000 Telephones

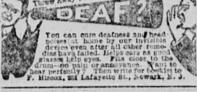

are in service and under contract in these two Boroughs alone. Are you a subscriber to this wonderfully comprehensive system? Rates are low.
